Patient Charges

Patient charges are: -

- **Band 1 - £17**
- This covers an examination, diagnosis (e.g. X-rays), advice on how to prevent problems, scale and polish if needed and application of fluoride varnish or fissure sealants.
- **Band 2 - £ 47**
- This covers everything listed in Band 1 above, plus any further treatment such as fillings, root canal work or if your dentist needs to take out one or more of your teeth.
- **Band 3 - £204**
- This covers everything listed in Bands 1 and 2 above, plus crowns, dentures or bridges.
- **Emergency Appointments**
- If you require urgent treatment, you will be charged for an emergency appointment. Should further treatment be identified and require attendance at future appointments then this would attract the applicable band charge as shown above.

However if you are in receipt of some benefits then NHS charges will not apply. For more information and advice with health costs please ring **0845 850 1166**.

Emergency Dental Care

If you do not regularly attend a dental practice and require emergency dental care, please contact **Warrington Dental Access Centre**. Their opening times are as follows:

Friday	8.30 am – 12.30 pm 1.30 pm – 4.30 pm

They operate a daily appointment system, please ring at 8.30 am for an appointment on 01925 867970 (New telephone number)

If you regularly attend a dental practice and require an emergency appointment out of hours, please ring **01925 867971 (New telephone number)**

NHS Warrington provides an emergency dental service from Garven Place Clinic Saturday/Sunday and Bank Holidays, all calls will be triaged and only true emergencies will be seen.

Disabled Access

Nearly every dental practice in Warrington is DDA compliant and should be able to provide the following facilities

- Hearing Aid Loops
- Signage
- Wheelchair ramps

However if you feel that your current dental practice can no longer meet your requirements, please ring **01925 644210**, who can re-direct you to a practice which may be more suitable for your particular needs.

Domiciliary Visits

Domiciliary visits are provided by the Community Dental Services based at Garven Place Clinic. This service is available for any patient, whether they are young or old, who are housebound. The visits can be carried out in the patient's own environment. For more information please contact **01925 867974 (new telephone number)**

PALs

Your local Patient Advice & Liaison Service (PALs) is also on hand to help and advise you with any dental advice. They can be contacted on 0800 389 6973 during office hours and, should you call when the Co-ordinator is not available, please leave your name and contact number on the voicemail system so that she may ring you back on her return.
