

Support your local hospital – Join us as a member today

Help us to help you and join us as a member of your local hospitals. At some point you or a family member will need to use the hospitals and we want to make sure that they are the best they can be for you and your family. We are constantly working to improve our services here at Warrington and Halton Hospitals NHS Foundation Trust but we need your input to do this.

As a member you can be as involved as much as you want to, from just receiving our free members' newsletter packed with advice and information from the hospitals or attending health related events, right through to being more involved on committees and volunteers. Members are also asked to undertake surveys and provide feedback on our services. Your opinions count and will help us shape our future. On signing up you will be given access to a range of high street discounts.

Join the 9,600 local people who are already members and help us improve our hospitals services further. We look forward to welcoming you as a member and helping us provide the best care for you and your family in the future.

It's completely free to join and show your support for your local hospital. Simply visit www.warringtonandhaltonhospitals.nhs.uk to join online, alternately you can contact the membership office on 01925 664 222 or email foundation@whh.nhs.uk for a membership form.

Your details will be held completely confidentially and we will not disclose and information to third parties. You'll then receive a welcome pack from us through the post.
